

B

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant : Allured et al.
Serial Number : 652,730
Filing Date : September 21, 1984
For : ELECTRONIC SENSING SYSTEM
FOR A STRINGED AND FRETTED
MUSICAL INSTRUMENT
Patent Number : 4,653,376
Issue Date : March 31, 1987

LETTER

A review of the above-identified patent disclosed the following errors:

Column 8, line 50, "traditinal" should be
--traditional--.

Column 9, line 35, "mutlifunction" should be
--multifunction--.

While a Certificate of Correction is not requested, it is requested that this Letter be included in the file wrapper to indicate the above-identified errors.

Respectfully submitted,

Robert E. Harris
Registration No. 19,493
